

### Attendance and Absenteeism

If your child is with us at any time during the week, then full tuition is owed for that week.

If your child misses every day that week, whether through illness or vacation, then half the week's tuition amount is due.

Should you plan to withdraw your child for more than 30 days, a re-registration fee of \$175.00 may be paid before you leave to guarantee a place when you return.

A one week advanced notice is required to discontinue enrollment.
